## PROUD TO BE A TRIBES SCHOOL!

### Attentive Listening

### Appreciations

### Participation

### Mutual Respect

#### POWER PLAY

Students at both campuses are currently participating in "Power Play" during morning and afternoon recesses. Three students are chosen each day to play organized games in the gymnasium for one of the recesses. The goal is to encourage social interaction, and to teach students games and skills that they can use in the schoolyard. Two of our Daycare educators, Donna and Tanya, lead the Power Play sessions.

#### Principal's Message

By now you're probably thinking, "Wow, they sure send home a lot of newsletters at Lord Aylmer!" We realize that there is a lot of information going home, but this is our main method of communicating with parents. We want to keep the parent community informed of what's happening at school and in the community. If you ever misplace a newsletter, you can visit our website to access the information (website is at the bottom of each newsletter).

During the two P.D. days this week, teachers will be participating in a Board-Wide Educator's Institute, where we will be learning about a variety of topics: literacy, technology, math, science, etc. It promises to be an exciting event, and we are proud to have several of our staff members hosting workshops.

Please feel free to come and visit one of our assemblies (as indicated on the October calendar). There has been a change of schedule for tomorrow's assemblies. On Halloween, the staff will be performing a special Halloween Tribes play for the students at 12:30 p.m. at the Sr. Campus. We performed two plays last year, which were very well received by students. It's great to work with such a talented staff!

#### TRIBES

All in the Family  
Sit in a community circle or at the dinner table and ask each member of the family the following questions:  
How does it feel to be (first born, mom, middlechild, etc?)  
What are the responsibilities he/she has?  
What are the advantages he/she has?  
What is the hardest part about your position?  
This provides an opportunity for families to find out more about the role that each person plays in the family. It may also develop understanding for each other's feelings and/or opportunity for discussion.

#### Home & School News

**The next meeting of the Home & School will be on Monday, October 20th, 7 p.m., Sr. campus.**

Try corn chips with flax seeds as a delicious alternative to potato chips. You can buy them at any bulk or natural food store and use a re-usable container. Healthy and garbage free!
