Mutual Respect

Tribes Tip

Looking for a way to foster mutual respect - one of the Tribes Agreements? Try this: As a family, sit in a circle. Whisper a different feeling or emotion in each member's ear, one at a time. Some examples are fear, surprise, sleepiness, itchiness, love and rage. Ask each person to act out their word nonverbally and the others try to guess what the feeling or emotion is. This is a great way for children to learn visual cues which will help them better understand their classmates, friends and family members. Invite statements of appreciation: "I like the way you acted it out because..." I feel a lot like that when..."

SUNNY DAYS

Now that the warm, sunny weather is back it is important to protect ourselves from the sun with a hat and high SPF sun screen. For children in the lower grades it is preferable that you apply the sun screen on your child in the morning. Children will be allowed to reapply however sometimes it ends up in their eyes or on the floor.

Principal's Message

We would like to thank all of the parents who came out to our Tribes parent session this month, it was a pleasure to have you attend to learn more about our Tribes program!

We will be having another Virtues assembly this month, to watch some classes give presentations on the Virtue of "Cleanliness". The final Virtue that we will be studying this year is "Service", looking at how we can use our own strengths to help others.

The weather at this time of year can change on a daily basis. Please listen to weather reports often to ensure that your child is adequately dressed for whatever the day has in store.

Jump Rope and Hoops for Heart

Our school-wide Jump Rope and Hoops for Heart event will take place on **Thursday, May 7th**. It will take place in the morning at the Sr. Campus and in the afternoon at the Jr. Campus. Take advantage of the spring weather to get outside and do some heart-healthy activities like skipping, playing basketball, or just walking or biking with your family. At the same time, help the Heart and Stroke Foundation by raising funds in the envelope that was sent home last week. You can also go online at jumpropeforheart.ca or hoopsforheart.ca for more activities, information, and online donations. Healthy habits now will lead to healthy hearts for life! Please return the volunteer slip if you can help us out with this important event.

GOVERNING BOARD NEWS

The Governing Board continues to meet monthly. Meetings are open to all parents who wish to attend and want to learn more about the operational side of Lord Aylmer. We continue to review policies and issues as they arise. As noted in an earlier newsletter, we have been discussing the break-down of French/English instruction. At our last meeting it was confirmed that next year the proportions of French/English instruction at each Cycle will remain as they are at present. Please note that there will be vacant positions on the Governing Board in the 2009-2010 school year. Please consider donating your time and expertise by joining us. Do not hesitate to sit in on our May meeting to learn more.
