### DAYCARE/NOON HOUR

#### SUPERVISORS

With an increase in enrollment, we are often needing replacements at Daycare or at lunch hour. If you are interested in replacing at lunch or after school, please contact Yvon, 819-684-1494. Please note that this is a paid position.

### Principal's Message

We are geared up and ready for an exciting day on Halloween. Students and staff are invited to wear a costume to school, or to dress in black and orange. Children will be able to bring a mask if this is part of their costume, but they will not be permitted to wear it all day. A preferable alternate would be for you to have your child's face painted, so they could have their complete costume all day. No weapons are allowed.

We would like to congratulate students from both campuses for once again filling their popsicle stick bucket. It is wonderful to see the students earning popsicle sticks outside for following the Tribes Agreements. Students will receive a special reward on Halloween Day.

#### NUTRITION TIP

Looking for a snack that's high fiber, low fat, and low sugar?

Don't overlook your cereal cupboard. A healthy cereal can make a delicious dried snack. Put your child's favorite stickers on the container and it's sure to be a hit.

#### GOVERNING BOARD NEWS

On behalf of parents, the Governing Board asked the Daycare to circulate a survey regarding interest in having daycare services available over the March Break school holiday. In order for this to be financially feasible, 60 students are required. The response to the survey suggests that there is sufficient interest on the part of parents. As such, daycare services will be offered during this year's March Break. In January, you will be asked to register your child if you wish to access this service. It is *very important* that all registered children attend as indicated. If a registered child does not attend the result is that the daycare is then unable to collect the Ministry-allocated funds for that child. This leads to a deficit situation for the daycare. This is clearly a situation that we would like to avoid. Thus, we respectfully request that you consider your child's registration as a firm commitment of their attendance. We would like to thank the daycare staff in advance for their dedication to our children and their willingness to meet the needs of Lord Aylmer families.

## NEWS!

### IMPORTANT WARNING

With Halloween fast approaching comes a warning to parents and kids regarding Sherwood brand Pirate's Gold milk chocolate coins imported from China.

The Canadian Food Inspection Agency is warning the public not to eat, distribute or sell the candy.

It is sold across Canada by Costco and may also have been sold in bulk packages or as individual pieces at various dollar and bulk stores.

The chocolate contains melamine which is the same chemical responsible for killing several babies in China, and sickening thousands more.

Once again, nature is showering us with its magnificent beautiful autumn colours. Why not take advantage of all of this beauty and go for a hike in the superb Gatineau Hills. Just a short drive away, the Gatineau Parks forests and hiking trails can be as exciting as an amusement park, and much cheaper! Children love walking through trails and discovering things that are not always seen in your own backyard! Friends of the Park hold events for families throughout the year. Their next one is the Wolf Howl on Nov 7<sup>th</sup> and 14<sup>th</sup>! So why not take advantage of the Gatineau Park and remind the family members to practice the Tribes Agreements (Listening, Mutual Respect, Appreciations and Participation).
