UPDATE

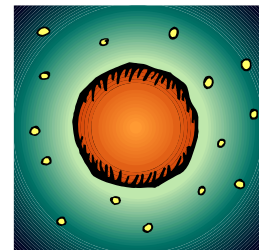

Hello, the Chelsea Tree lot had an astonishing first year and is sold out! If you have already purchased a tree certificate through our fundraiser - please contact me, Heather McCrimmon at heathermccimmon@hotmail.com or 819-827-8028 to make arrangements for a tree or refund.

Thank you all for your amazing support - Chelsea has once again proven to be a generous and involved community.

Happy holidays!

Engineering Challenge 2011: Our FSL based Science program for Cycle 3 is preparing for the annual engineering challenge. Theme: the IMC (International Mars Colony) needs to send rock samples back to earth. IMC scientists (student teams) need to “construct a catapult to launch their payload into a low Mars orbit” where it will be “boosted” back to Earth. Parent volunteers with an interest in science and / or engineering are welcome to help out. Please contact Ms. Brault (cbrault@wqsb.qc.ca) if you are interested.

A/4 News:

Please note that the A-4 Ski and Snowboard program will be starting January 11, 2011.

Important Dates: Please note that there are no PD days in December and that the last day of regular classes for 2010 is 22 December. The first day back is Thursday, 6 January 2011.

From the Chelsea team, have a safe, warm and happy holiday season.
