Homework Assistance Program

A) The "After School" program is in full swing and has been in operation since the beginning of December 2010. Some slots are still available so if you would like your child to attend please contact the homeroom teacher.

Please see the below schedule.

- Cycle 1.1 (Grade 1) - Monday/Wednesday
- Cycle 1.2 (Grade 2) - Tuesday/Thursday
- Cycle 2.1 (Grade 3) - Monday/Wednesday
- Cycle 2.2 (Grade 4) - Tuesday/Thursday
- Cycle 3.1 (Grade 5) - Monday/Wednesday
- Cycle 3.2 (Grade 6) - Tuesday/Thursday

B) We are also running "Lunch Hour" programs. "Diner avec Madame" will provide French support for cycle 2 & 3. As well adult support will be made available for cycle 3 students in Math and Computer Lab Research. This is a voluntary program so please encourage your child to attend if he/she needs extra help in these areas.

**3 Leadership Program**

Thirty Cycle 3 students have been given the opportunity to take on leadership jobs at school in a variety of roles. They are called McLeaders.

To date our McLeaders have taken on the following jobs on a rotational basis: McHelpers, McSupervisors, McBuddies, McPlanners, McTidiers, McSorters and McSolvers . They're doing a super job and providing much needed support.

**4 Christmas Concert**

“Twas the Night before Christmas”

Thanks to those visitors who contributed a good will offering we have now added \$218.00 to our Paving Project Fund.

**5 Paving Project Update**

Our goal is to raise \$25,000. (School’s necessary contribution to a School yard Beautification Grant). To date we have raised \$18,674.

\$6,000. To go!!!!!!!

**7 Math TV Show**

TVO is airing a math show called “The Prime Radicals” on Saturday at 3:30 p.m./Sunday at 12:30 p.m. beginning January 15, 2011. Content is suitable for primary cycle 2 & 3 students.

Mishap and mayhem in a wacky uncle’s workshop add up to a host of math adventures in this new live-action series aimed at grade-school kids. Often the subject that poses the toughest challenges for kids; math is a laughing matter in The Prime Radicals. Whenever Uncle Norm has a real-life problem, such as measuring without a ruler, adapting a recipe to serve more people, or folding paper to make a hat, the Radicals (cousins Kevin and Alanna) come to his rescue with Math-based solutions and help from a wide range of experts who demonstrate how much a part of everyday life math really is. While concepts like geometry, patterning, place value, fractions and measurements are at the root of each episode, fun is the common denominator in the trio’s adventures.

**6 Care Packages for the Troops**

The students and staff were presented a Canadian flag that flew in Afghanistan signed by the members of The Troops of **TF ROTO 10 TAUCON** who graciously received the care packages we put together. What a great tribute! Drop by the school to have a firsthand look!!!

**8 Daycare**

Daycare has openings for your child. Spots start at \$7. per day. Contact Mavis Palmer at 819-647-3911

**DATES TO REMEMBER:** Friday, January 28<sup>th</sup>, 2011 - PD DAY

***Our School Vision***

***To foster a safe and caring environment  
in which each student develops as a life-long learner***
